| <i>Name change and modification:</i> Bachelor of Arts (Multimedia Studies) to Bachelor of Arts (Media Arts and Cultures) (UNB, Fredericton) | Modification | UNB is proposing to change the name of the program from "Multimedia Studies" to "Media Arts & Cultures." Moderate changes to program structure, including changes to the overall number of credits required, the number and selection of required upper and lower-level courses, and the removal of interdisciplinary electives are also being proposed, along with the introduction of an option in Film Production. | Stage I | Approved (March 15, 2013) |
| Master of Applied Computer Science (now Master of Computer Science by Coursework) (UNB, Fredericton & Saint John) | New | The Master of Applied Computer Science (now Master of Computer Science by Coursework) will provide an alternative for students who want to study at an advanced level without completing a thesis. Students will have the option of completing an individual project and/or an eight-month co-op work term in addition to a series of graduate and undergraduate courses. | Stage II | Pending consideration by the MPHEC at its next meeting |
| Master of Arts in English (UNB, Fredericton & Saint John) | New | UNB is proposing to introduce a new, one-year Master of Arts in English to complement its existing two-year degree (which requires completion of a thesis). The one-year (12 month) program will consist of 7 academic seminars (21ch), a research methods course (6ch) and an Advanced Research Project (3ch). | Stage II | Approved (February 20, 2013) |
| PhD in English (UNB, Fredericton & Saint John) | Modification | UNB is proposing to introduce an accelerated stream of its PhD in English for those who complete a proposed new 12-month MA in English (being assessed concurrent to the PhD). For the accelerated stream, students will complete 12ch fewer courses (a 6ch research methods course and 6ch in academic seminars) than is currently the case for the PhD; the remaining degree requirements remain the same: 9ch academic seminars, 3 comprehensive exams, 6ch teaching apprenticeship and the thesis. A language requirement is also identified for both streams. | Stage II | Pending response to the AAC |
| Masters of Technology Management and Entrepreneurship (now Master of Engineering in Technology Management and Entrepreneurship) (UNB, Fredericton & Saint John) | New | The MTME builds on UNB's existing Diploma in Technology Management and Entrepreneurship and is designed to equip aspiring entrepreneurs with the necessary tools and skills to begin technology-based start-up companies. Students complete 33ch of coursework, including 12ch from project and practicum courses, over an 18-month period and develop a product for market. | Stage II | Pending response to AAC |
| Bachelor of Science Major / Honours in Biology-Mathematics/Statistics Bachelor of Science Major / Honours in Biology-Physics (UNB, Fredericton) | Modification | UNB is proposing to add an Honours option to its BSc in Biology-Mathematics/Statistics and its BSc in Biology-Physics. Students in the Honours programs would complete an additional 12ch of courses at the 3000 or 4000-level (including a optional thesis for the Biology-Mathematics/Statistics program or, for the Biology-Physics program, thesis or advanced research project). | To be determined | Pending response to Stage I questions |
| Graduate Certificate in Management | Modification | Program description not available at this time. | To be determined | Stage I Assessment in progress |
